Projects

Responsive weather forecast website| GitHub Repository |see live
React, OpenWeatherMap API, Tailwind CSS
- Integrated **OpenWeatherMap API** to fetch current weather, forecast, and location-based data.
- Used **geolocation API** to automatically detect user's current location and display weather data.
- Added dynamic **UI elements** based on weather conditions (e.g., background changes for rain, snow, sun).
- Fully **responsive design** using Tailwind CSS for a seamless experience on mobile, tablet, and desktop.
- Ensured code quality with basic **unit tests** and used Git for version control.

Spotify clone app |Github Repository | see live
React, JavaScript, Tailwind CSS, Spotify API
- Built a **music streaming interface** with playlist creation, song playback, and volume controls.
- Integrated **Spotify Web API** to fetch songs, albums, artists, and real-time playback data.
- Designed a sleek, **responsive UI** with Tailwind CSS, inspired by Spotify's modern dark theme.

Responsive portfolio website |Github Repository | see live
HTML, CSS, JavaScript, React, Next.js, Tailwind CSS
- Designed and developed a **responsive, mobile-first** portfolio to showcase personal projects and skills.Enables .
- Integrated a projects section with dynamic filtering and detailed project descriptions.
- Implemented **smooth navigation**, scroll animations, and interactive UI elements for better UX.
- Added a **contact form** with email integration

Technical Skills

Programming Languages: C++ ,Java, JavaScript, Python,C
Markup Language : Html5,Css3
Frameworks: ReactJS, Tailwind, NextJS, ExpressJS
Database & language: MongoDB, MySQL
Version Cintrol & Developer Tools: NodeJS, Firebase, Postman,Git,GitHub
IDES: vscode,Intellij,Eclipse,NetBeans
Core Subjects: DBMS,OOPS,Networking,COA,OS,DS & Algo

Achievements

- Completed CISCO packet tracker and cybersecurity.[certificate1,certificate2](#)
- GFG HackFest Hackathon participated .
- Participated in GFG hack-a-thon Hackathon
- Helped 50+ students in learning technical concepts.
- Participate in a skill India online hackfest.
